ALPHASCIENCE
PARIS

ALPHASCIENCE

We offer innovative and high-performance medically endorsed skincare, built on decades of expertise in antioxidant science, and supported by strong clinical validation worlwide.

Exclusive patented technologies have enabled us to harness the power of potent yet highly fragile antioxidant molecules, mastering their stabilization, bioavailability and combination, to ensure maximum efficacy on the skin with no compromise on tolerance.

All our products are developed and manufactured in France.

THE SCIENCE OF ANTIOXIDANT INTELLIGENCE

A global authority in advanced antioxidant research, Alfred Marchal, PhD in Organic Chemistry, is the creative force behind ALPHASCIENCE and at the origin of the brands' extensive portfolio of patented innovations.

With over 35 years of experience in developing breakthrough skin solutions, he is an international reference in complex antioxidant-based formulas.

His work, inspired by a lifelong admiration for nature, defines the benchmark for transformative, forward-thinking skincare.

Fascinated by the potent antioxidants that give plants their resilience and longevity, he has dedicated his career to unlocking their full potential in cosmeceuticals, overcoming the challenges of limited stability, bioavailability and efficacy.

NEXTGEN® TECHNOLOGY: THE BACKBONE OF ALL OUR ANTIOXIDANT SERUMS

An unprecedented method to stabilize antioxidants and guarantee high performance formulas thanks to unique molecular interactions and ion modulation processes

ANTIOXIDANTS: THE ULTIMATE ANSWER TO SKIN HEALTH, YOUTH AND VITALITY

Antioxidants are essential to healthy, resilient skin as they help protect it from the daily stresses tha accelerate aging, trigger inflammation processes and impair cellular metabolism. Constant exposur to sunlight, pollution, and lifestyle factors induce premature aging by disrupting cellular function weakening the barrier function and depleting cutaneous structural components, leaving the skin lookin tired, uneven, and fragile over time.

By protecting the skin from oxidative damage, increasing its resilience and promoting its regeneratin mechanisms, antioxidants are key to achieving lasting radiance, balance, and loverall skin longevity.

OUR COMMITMENTS: QUALITY, SUSTAINABILITY AND SOCIAL INCLUSION

ALPHASCIENCE's manufacturing facilities are located in a protected site of high ecological value in Provence.

The production site is ISO GMP22716 and Medical Device ISO 13485 certified, ensuring the highest processing standards and uncomprising formula quality. This includes energy and water consumption management and optimization, as well as the highest sustainability requirements from certified raw materials providers.

The brand also grants high importance to social inclusion by supporting apprenticeship and young women dermatologist's leadership programs. We have also chosen to collaborate, since our creation, with warehousing and logistics partners who provide employment for people with disabilities.

ANY TREATMENT WITH PIH RISK

By protecting, repairing and restructuring the skin, ALPHASCIENCE products can be used daily at home or combined with medical aesthetic treatments (peels, lasers, hyaluronic acid fillers, mesotherapy, microneedling) to enhance the results and support long-term skin health.

Our advanced formulations are designed to address key skin concerns linked to oxidative stress such as accelerated photo-induced aging, hyperpigmentation disorders, sensitivity and impaired barrier function.

TANNIC [CF]

Recommended for normal to dry skin types. Fragrance & preservative free. pH 3.8

SKIN BENEFITS

-Advanced antioxidant protection
-Smooths wrinkles and fine lines
-Supports skin tonicity and elasticity
-Promotes complexion evenness and radiance
-Minimizes redness

HOW TO USE

Apply 3 to 4 drops in the morning and/or evening to the face, neck and décolleté. Follow with a moisturizer. In case of sun exposure, use suitable sun protection.

INGREDIENTS: ISOPENTYLDIOL, PROPYLENE GLYCOL, AQUA, ASCORBIC ACID, GINKGO BILOBA LEAF EXTRACT, ETHOXYDIGLYCOL, TANNIC ACID, PEG-8 DIMETHICONE, FERULIC ACID, GALLIC ACID, AMINOMETHYL PROPANOL.

ACTIVE INGREDIENTS

2% TANNIC ACID

Antioxidant – Collagen protection and stimulation – Pollutants scavenging – Blood vessel strengthening

10% HIGH STABILITY L-ASCORBIC ACID

Antioxidant – Collagen protection and stimulation – Melanin regulation – Cellular regeneration booster

0.5% FERULIC ACID

Antioxidant – Anti-inflammatory – Collagen protection and stimulation – Brightening

ESSENTIAL FRACTION OF GINKGO BILOBA

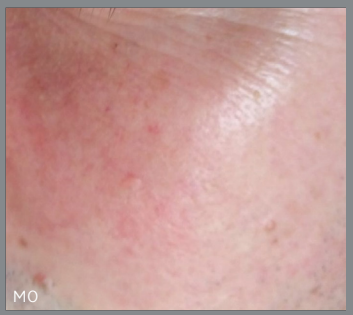

Antioxidant – Anti-inflammatory – Vascular protection

CLINICAL STUDIES

TANNIC [CF] EFFICACY ON SIGNS OF PHOTODAMAGE AND REDNESS

- Minimized signs of photodamage
- Smoothed fine lines and wrinkles
- Improved skin elasticity
- Reduced redness and irritations

Test conducted under dermatological control on 22 subjects (average age 59) - Daily application - 2 months with measurements at 1 month - France

PHYTIC [TC]

PHYTIC [TC] is an anti-aging antioxidant serum designed for skin types prone to shine and dilated pores. It combines pollution scavenging and gently exfoliating phytic acid with a pure L-ascorbic acid based antioxidant complex to ensure global environmental protection while regulating sebum production.

Recommended for normal to combination skin types. Fragrance & preservative free. pH 3.3

SKIN BENEFITS

-Offers daily antioxidant and pollution protection
-Regulates sebum
-Smooths wrinkles and fine lines
-Refines skin texture and minimizes pores
-Promotes a more even complexion

HOW TO USE

Apply 3 to 4 drops in the morning and/or evening to the face, neck and décolleté. Follow with a moisturizer. In case of sun exposure, use suitable sun protection.

INGREDIENTS: PROPYLENE GLYCOL, ISOPENTYLDIOL, AQUA, ASCORBIC ACID, GINKGO BILOBA LEAF EXTRACT, ETHOXYDIGLYCOL, PEG-8 DIMETHICONE, PHYTIC ACID, AMINOMETHYL PROPANOL, GLYCERETH-26, TANNIC ACID, GALLIC ACID.

ACTIVE INGREDIENTS

2% PHYTIC ACID

Antioxidant – Pollutants scavenging – Sebum regulating – Texture refining and brightening

8% HIGH-STABILITY L-ASCORBIC ACID

Antioxidant – Collagen protection and stimulation – Melanin regulation – Cellular regeneration booster

0.2% TANNIC ACID

Antioxidant – Collagen protection and stimulation – Blood vessel strengthening

ESSENTIAL FRACTION OF GINKGO BILOBA

Antioxidant – Anti-inflammatory – Vascular protection

CLINICAL STUDIES

SKIN QUALITY IMPROVEMENT: COMBINED PHYTIC [CT] AND Nd-YAG TREATMENT

- Refined skin texture
- Clarified and more even skin tone
- Visibly reduces blemishes

Evaluation of the combination of PHYTIC [TC] SERUM + NDYag laser 6 sessions - Daily application – 4 months - Courtesy of Dr Chantes - France

NOVACELL [Cg]

NOVACELL [Cg] is an advanced antioxidant and skin longevity boosting serum highly concentrated in EGCG extracted from catechin-rich green tea. This global anti-aging molecule offers exceptional cellular DNA protecting and skin matrix remodeling properties. Paired with L-Glutamine for added structural fiber stimulation and barrier function support, it delivers a multi-level rejuvenating action for visible improvements in firmness, density, radiance and skin resilience.

Recommended for all mature skin types. Fragrance & preservative free. pH 3.8

SKIN BENEFITS

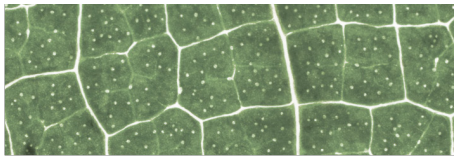

-Stimulates structural skin fibers for improved density
-Minimizes DNA damage to support cell longevity
-Promotes cellular vitality and healthy tissue regeneration
-Strengthens the skin barrier function

HOW TO USE

Apply 3 to 4 drops in the morning and/or evening to the face, neck and décolleté. Avoid the eye contour area. Follow with a moisturizer. In case of sun exposure, use suitable sun protection.

INGREDIENTS: PROPYLENE GLYCOL, BUTYLENE GLYCOL, AQUA (WATER), ASCORBIC ACID, GINKGO BILOBA LEAF EXTRACT, EPIGALLOCATECHIN GALLATE, ALANYL GLUTAMINE, ETHOXYDIGLYCOL, PHYTIC ACID, AMINOMETHYL PROPANOL, DIGLYCERIN, LACTIC ACID.

ACTIVE INGREDIENTS

4 % EGCG GREEN TEA CATECHIN - PATENT PENDING

Antioxidant - Cell longevity support – Skin matrix protecting and densifying - Collagen and elastin stimulating

2.5 % L-GLUTAMINE

Skin elasticity promoting - Cutaneous regeneration support - Skin barrier strengthening - Wrinkle smoothing

8% HIGH-STABILITY L-ASCORBIC ACID

Antioxidant – Collagen protection and stimulation – Melanin regulation – Cellular regeneration booster

ESSENTIAL FRACTION OF GINKGO BILOBA

Antioxidant – Anti-inflammatory – Microcirculation support

ALPHA BRIGHT

BRIGHTENING AND DARK SPOT PREVENTION ANTIOXIDANT SERUM

ALPHA BRIGHT serum is designed to correct and prevent hyperpigmentation while restoring skin radiance. Its stabilized vitamin C protects against oxidative stress and stimulates collagen synthesis, while phytic acid refines skin texture and enhances clarity. Acetyl-glycyl-β-alanine regulates melanogenesis to visibly reduce post-inflammatory pigmentation marks and discolorations while the ginkgo biloba extract supports microcirculation for a more healthy looking complexion.

Recommended for all skin types. Fragrance & preservative free. pH 3.5

SKIN BENEFITS

-Prevents photodamage induced dark spots
-Evens skin tone and brightens dull complexion
-Smooths wrinkles and fine lines
-Limits post-inflammatory and post-acne hyperpigmentation

HOW TO USE

Apply 3 to 4 drops in the morning and/or evening to the face, neck and décolleté. Avoid the eye contour area. Follow with a moisturizer. In case of sun exposure, use suitable sun protection.

INGREDIENTS: PROPYLENE GLYCOL, ISOPENTYLDIOL, AQUA, ASCORBIC ACID, GINKGO BILOBA LEAF EXTRACT, ETHOXYDIGLYCOL, ACETYL GLYCYL BETAALANINE, PEG-8 DIMETHICONE, PHYTIC ACID, AMINOMETHYL PROPANOL, GLYCERETH-26.

ACTIVE INGREDIENTS

8% HIGH-STABILITY L-ASCORBIC ACID

Antioxidant – Collagen protection and stimulation – Melanin regulation – Cellular regeneration booster

ACETYL-GLYCYL-β-ALANINE

Melanogenesis inhibitor – Dark spot correcting - Brightening

2% PHYTIC ACID

Antioxidant – Pollutants scavenging – Balancing – Texture refining and brightening

MELA BRIGHT [C+]

MELASMA AND STUBBORN DARK SPOT CORRECTING ANTIOXIDANT SERUM

MELA BRIGHT [C+] is a breakthrough serum developed with our exclusive patented highly stable Cysteamine and complementary melanin regulating antioxidants to target the multiple pathways involved in hyperpigmentation. It offers exceptional efficacy on hyperpigmentation with no side effects and optimal tolerance. The convenient serum formula does not require rinsing and can be integrated in any skincare routine for practical daily use.

Recommended for all skin types. All phototypes. Fragrance & preservative free. pH 3.85

SKIN BENEFITS

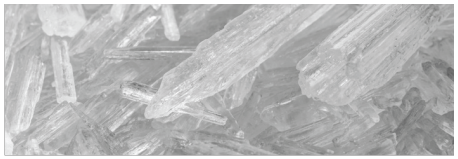

-Intensive hyperpigmentation and melasma correction
-Multi-level melanin regulation
-Suitable for all skin tones including V and VI
-Easy to use leave-on formula : no rinsing needed

HOW TO USE

Apply 3 to 4 drops in the morning and/or evening to the face, neck and décolleté. Avoid the eye contour area. Follow with a moisturizer. In case of sun exposure, use suitable sun protection. Consult your doctor before use if you are pregnant or breastfeeding.

INGREDIENTS: PROPYLENE GLYCOL, ISOPENTYLDIOL, AQUA, ASCORBIC ACID, GINKGO BILOBA LEAF EXTRACT, CYSTEAMINE HCL, ETHOXYDIGLYCOL, PHYTIC ACID, ACETYL GLYCYL BETA-ALANINE, PEG-8 DIMETHICONE, AMINOMETHYL PROPANOL, CITRIC ACID, SODIUM CITRATE, GLYCERETH-26.

ACTIVE INGREDIENTS

3% STABILIZED CYSTEAMINE - PATENT N°BE1030501B1

Antioxidant – Potent melanogenesis inhibitor – Lasting pigmentation and melasma correction

ACETYL-GLYCYL-β-ALANINE

Melanogenesis inhibitor – Dark spot correcting - Brightening

HA BOOSTER

INTENSE HYDRATION PLUMPING

MOISTURE CONCENTRATE

HA BOOSTER serum is designed to boost hyaluronic acid levels throughout the epidermis, instantly replumping the skin while providing sustained and deep hydration. Silicium enhances HA absorption and stimulates collagen production, plant-derived taurine boosts cellular energy and a biomimetic polymer strengthens the skin's natural barrier.

Recommended for all skin types prone to dehydration or sensitized. pH 5.5

SKIN BENEFITS

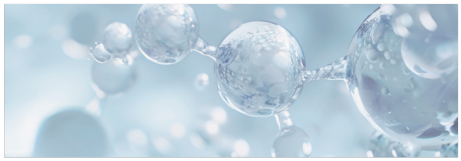

-Replumps and smooths fine lines and wrinkles
-Helps maintain optimal moisture levels
-Strengthens the barrier function
-Supports the effect of HA fillers

HOW TO USE

Apply 3 to 4 drops in the morning and/or evening to the face, neck, and décolleté after the recommended ALPHASCIENCE antioxidant serum. Follow with a moisturizing cream if needed. In case of sun exposure, use suitable sun protection.

INGREDIENTS: AQUA (WATER), BETAINE, GLYCERIN, ETHOXYDIGLYCOL, ISOPENTYLDIOL, METHYLPROPANE- DIOL, SODIUM HYALURONATE, HYALURONIC ACID, JANIA RUBENS EXTRACT, SILANETRIOL, DISODIUM EDTA, DEHYDROACETIC ACID, PHENETHYL ALCOHOL, SODIUM HYDROXIDE, CITRIC ACID, POLYQUATERNIUM-51, SODIUM CARRAGEENAN, CHLORPHENESIN, BENZYL ALCOHOL.

ACTIVE INGREDIENTS

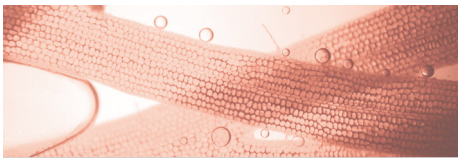

5.5% HYALURONIC ACID & ORGANIC SILICIUM COMPLEX

Three HA molecular weights for optimal hydration – Plumping and smoothing – Collagen and elastin protecting and stimulating – Skin matrix restructuring

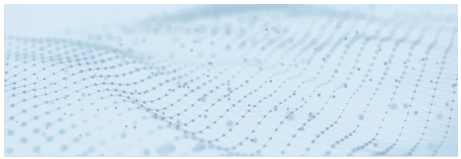

4% BETAINE

Skin barrier function support – TEWL prevention – Water balance regulation – Skin soothing

1.5% PLANT-BASED TAURINE

Cell energy support – Osmoregulating – Antioxidant and pollution protection – Anti-inflammatory

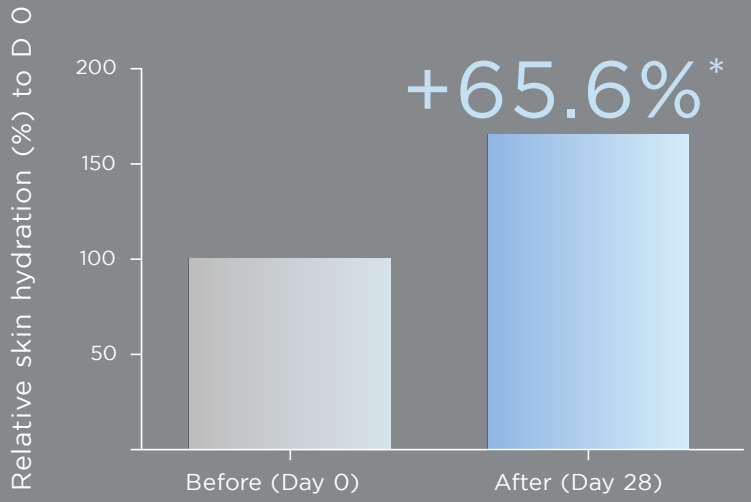

BIOMIMETIC POLYMER

Advanced hydro-lipidic skin barrier protection

ALPHA NIGHT PEEL

BRIGHTENING RESURFACING NIGHT SERUM

ALPHA NIGHT PEEL is a perfectly balanced association of exfoliating and clarifying hydroxy acids combined with brightening and balancing niacinamide, alpha-arbutin and phytic acid. This night serum helps promote cell turnover, smooth the skin texture, refine pores and boost radiance for a visibly more even, clear and luminous complexion upon awakening.

Recommended for all skin types, prone to dullness and blemishes. pH 4.2

SKIN BENEFITS

-Refines and smooths skin texture
-Clarifies and decongests clogged pores
-Prevents and corrects blemishes
-Promotes complexion evenness and radiance
-Stimulates cellular turnover

HOW TO USE

Apply 3 to 4 drops in the evening to the face, neck, and décolleté on clean dry skin. Avoid the eye contour area. Follow with a moisturizer. Consult your doctor before use if you are pregnant or breastfeeding.

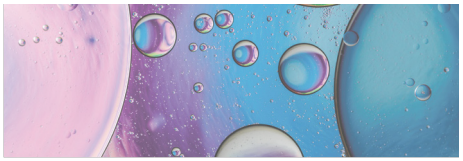

INGREDIENTS: AQUA, VACCINIUM MYRTILLUS FRUIT EXTRACT, GLYCERIN, NIACINAMIDE, ALCOHOL DENAT, SACCHARUM OFFICINARUM EXTRACT, PHYTIC ACID, SODIUM HYDROXIDE, CITRIC ACID, CITRUS AURANTIUM DULCIS FRUIT EXTRACT, CITRUS LIMON FRUIT EXTRACT, HYDROLYZED HYALURONIC ACID, ALPHA-ARBUTIN, RUBUS FRUTICOSUS FRUIT EXTRACT, RIBES NIGRUM LEAF EXTRACT, SALICYLIC ACID, SODIUM BENZOATE, ACER SACCHARUM EXTRACT, XANTHAN GUM, MENTHOL.

ACTIVE INGREDIENTS

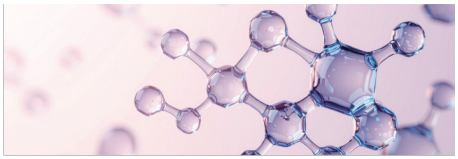

5% NIACINAMIDE + 0.1% ALPHA-ARBUTIN

Brightening – Sebum regulating – Soothing – Melanin inhibiting – Barrier function strengthening

10% AHA BOTANICAL COMPLEX

Exfoliating – Moisturizing – Skin surface smoothing

0.5% SALICYLIC ACID

Pore clarifying – Anti-bacterial – Anti-inflammatory

2% PHYTIC ACID

Antioxidant – Pollutants scavenging – Balancing – Texture refining and brightening

CLINICAL STUDIES

EVALUATION OF ALPHA NIGHT PEEL EFFICACY

- Enhanced radiance
- Visibly more even skin tone
- Improved texture

Evaluation of ALPHA NIGHT PEEL on 21 subjects with PIH and blemishes - Nightly application – 2 months - Courtesy of Dr Aoi Nakano - Tokyo

Visibly reduced blemishes
- Minimized superficial scars
- Clarified complexion

Evaluation of ALPHA NIGHT PEEL on 20 subjects - Nightly application – 1 month - Courtesy of Karolina Osiecka - Poland

ULTRA SHIELD

HIGH-ANTIOXIDANT

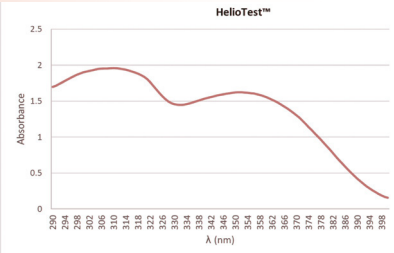

UV DEFENSE

SPF 50
UVA PPD 20
PA++++

ULTRA SHIELD is a high-performance broad-spectrum SPF 50 cream designed to provide advanced photo-protection while supporting the skin's barrier function. It combines a broad-spectrum complex of three complementary UV filters, brightening and soothing niacinamide and a skin resilience boosting prebiotic. Formulated for daily use, namely after aesthetic procedures, it offers a lightweight, fast absorbing texture with no white cast.

Recommended for all skin types. Fragrance free. Tested after peeling procedures.

BROAD SPECTRUM UV COVERAGE

In vitro evaluation of UV protection - SPF & UVA screening to assess broad-spectrum UV coverage.

SKIN BENEFITS

-Broad-spectrum UVB, UVA & long UVA filter complex
- Antioxidant protection against UV-mediated oxidative stress
-Skin soothing
-Microbiome balancing for barrier function support

HOW TO USE

Apply as the last step of your daily skincare routine, massaging gently into the skin. Reapply frequently.

INGREDIENTS: AQUA, DICAPRYLYL CARBONATE, COCO-CAPRYLATE, COCOGLYCERIDES HYDROXYBENZOYL HEXYL BENZOATE, BIS-ETHYLHEXYLOXYPHENOL METHOXYPHENYL TRIAZINE, ETHYLHEXYLTRIAZONE, PHENYLBENZIMIDAZOLE SULFONIC ACID, GLYCERYL STEARATE, 1,2-HEPTANEDIOL, NIACINAMIDE, PROPANEDIOL, SODIUM STEAROYL GLUTAMATE, HEXYLDECANOL, SODIUM HYDROXIDE, GOSSYPIUM HERBACEUM (COTTON) CALLUS CULTURE/PUNICA GRANATUM CALLUS CULTURE LYSATE, ORYZA SATIVA STARCH, GLYCERIN, MICROCRYSTALLINE CELLULOSE, SODIUM GLUCONATE, XANTHAN GUM, OCYMEN-5-OL, TREHALOSE, BISABOLOL, PENTYLENE GLYCOL, CELLULOSE GUM, CETYLHYDROXYPROLINE PALMITAMIDE, STEARIC ACID, CITRIC ACID, BRASSICA CAMPESTRIS STEROLS, TOCOPHEROL, FRUCTOOLIGOSACCHARIDES, PHYTIC ACID.

EYE MATRIX

GLOBAL ACTION

EYE CONTOUR CREAM

EYE MATRIX addresses all key concerns of the delicate eye area. Powered by remodeling and firming L-glutamine, niosomal troxerutin for visibly reduced dark circles, and a neuro-relaxing peptide associated with hydrating and smoothing hyaluronic acid to minimize the appearance of wrinkles, it delivers a comprehensive rejuvenating and energizing effect.

Ophthalmologically tested, this fragrance free fresh gel texture is adapted to sensitive eyes. 100% tolerance after blepharoplasty.

CLINICAL STUDIES

80%*
Firmer skin

75%*
Minimized fine lines

85%*
Reduced signs of fatigue

*% of approval. Test conducted under dermatological and ophthalmological control on 20 subjects - Daily application - 2 months - France

SKIN BENEFITS

-Smoothes crow's feet and wrinkles
-Brightens dark circles
-Helps reduce puffiness and signs of fatigue
-Lift-effect for a more open and youthful look

HOW TO USE

Apply morning and evening to the eye contour. Can be used after eye contour rejuvenating aesthetic procedures.

INGREDIENTS: AQUA (WATER), CYCLOPENTASILOXANE, GLYCERIN, CAPRYLIC/CAPRIC TRIGLYCERIDE, ALANYL GLUTAMINE, MYRISTYL MYRISTATE, JOJOBA ESTERS, CETYL ALCOHOL, GLYCERYL STEARATE, SODIUM HYALU- RONATE, MAGNOLOL/HONOKIOL, ADENOSINE, TOCOPHEROL, PEG-75 STEARATE, DIPEPTIDE DIAMINOBUTYROYL BENZYLAMIDE DIACETATE, SOY ISOFLAVONES, POLYGLYCERYL-6 OLEATE, ACRYLATES/C10-30 ALKYL ACRYLATE CROSSPOLYMER, POLYSORBATE 80, TROXERUTIN, STEARETH-20, SORBITAN PALMITATE, LECITHIN, DISODIUM EDTA, POLYGLYCERYL-10 LAURATE, DIMETHICONE/ VINYL DIMETHICONE CROSSPOLYMER, XAN- THAN GUM, SODIUM HYDROXIDE, ALCOHOL, PHENOXYETHANOL, CHLORPHENESIN, CETETH-20.

SURFACE [CR]

MULTI-ACTIVE

WRINKLE CORRECTING EMULSION

SURFACE [CR] is an advanced anti-wrinkle cream formulated to visibly mimimize wrinkles and instantly smooth the skin texture. The combination of collagen promoting L-Glutamine with a neuro-relaxing tripeptide and hyaluronic acid simultaneously targets static and dynamic wrinkles as well as dehydration fine lines, for a more youthful-looking skin.

Silky, smoothing & shine-free perfecting texture. Recommended for all skin types.

CLINICAL STUDIES

86%*

Smoother skin as of 1 month

Reduced wrinkle depth and lenght

*% of approval - Monocentrical study on 20 subjects (average age 55) - Twice daily application - 2 months with measurements at 28 and 56 days - Belgium

SKIN BENEFITS

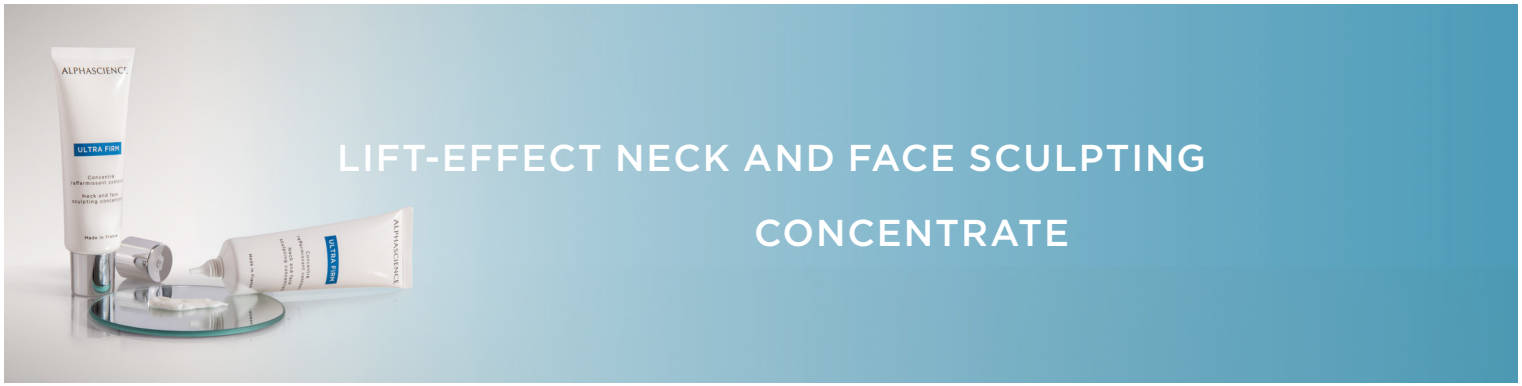

- Smoothes the skin by relaxing wrinkle inducing muscles
-Instantly replumps fine lines and moisturizes
- Prevents collagen degradation
-Improves skin elasticity

HOW TO USE

Apply morning and evening to the face and neck after the recommended ALPHASCIENCE antioxidant serum. In case of sun exposure, use suitable sun protection.

INGREDIENTS: AQUA, CYCLOPENTASILOXANE, CAPRYLIC/CAPRIC TRIGLYCERIDE, PROPANEDIOL DICAPRY-LATE, POLYGLYCERYL-3 METHYLGLUCOSE DISTEARATE, ALANYL GLUTAMINE, ISOPEN-TYLDIOL, GLYCERIN, CETEARYL ALCOHOL, PENTAERYTHRITYL DISTEARATE, GLYCERYL STEARATE, JOJOBA ESTERS, POTASSIUM CETYL PHOSPHATE, DIMETHICONE/VINYL DIMETHICONE, CROSSPOLY-MER, SODIUM BENZOATE, SODIUM HYALURONATE, PARFUM, ACRYLATES/C1030 ALKYL ACRYLATE CROSSPOLYMER, CHLORPHENESIN, POTASSIUM SORBATE, XANTHAN GUM, CITRIC ACID, SODIUM HYDROXIDE, DISODIUM EDTA, DIPEPTIDE DIAMINOBUTYROYL, BENZYLAMIDE DIACETATE, MEN-THOL, TOCOPHEROL, BHT.

ULTRA FIRM

LIFT-EFFECT NECK AND FACE SCULPTING CONCENTRATE

ULTRA FIRM is designed to target jowl and neck sagging. It helps sculpt facial contours for more defined features and improved firmness. Formulated with L-glutamine, it stimulates collagen production and supports cutaneous regeneration. A fungi-derived shiitake complex helps tighten and brighten the skin while antioxidant soy isoflavones limit inflammation-induced aging. Its smoothing texture is rapidly absorbed and leaves the skin feeling instantly toned.

Dense yet non greasy texture. Recommended for all skin types prone to laxity.

CLINICAL STUDIES

95%*

Firmer skin after 2 months

Smoother skin texture

*% of approval and macro photography. Test conducted under dermatological control on 19 subjects aged 41 to 56. Twice-daily application - 2 months - France

SKIN BENEFITS

- Visibly tightens and firms
- Improves the appearance of neck and face contours
- Smoothes wrinkles and fine lines
- Brightens and evens the complexion

HOW TO USE

Apply morning and evening to the face, neck and décolleté after the recommended ALPHASCIENCE antioxidant serum. In case of sun exposure, use suitable sun protection.

INGREDIENTS: AQUA, SIMMONDSIA CHINENSIS (JOJOBA) SEED OIL, JOJOBA ESTERS, GLYCERIN, ALANYL GLUTAMINE, CAPRYLIC/CAPRIC TRIGLYCERIDE, ISOPENTYLDIOL, MYRISTYL MYRISTATE, POLYGLYCERYL-2 STEARATE, GLYCERYL STEARATE, STEARYL ALCOHOL, LENTINUS EDODES EXTRACT, SODIUM HYALURONATE, SOY ISOFLAVONES, ASCORBYL PALMITATE, PHYTIC ACID, ASCORBIC ACID, TOCOPHEROL, HYDROXYPROPYL STARCH PHOSPHATE, ACRYLATES/C10-30 ALKYL ACRYLATE CROSSPOLYMER, XANTHAN GUM, LECITHIN, PEG-8, SODIUM CITRATE, SODIUM HYDROXIDE, POLYSORBATE 80, O-CYMEN-5-OL, DISODIUM EDTA, POTASSIUM SORBATE, SODIUM BENZOATE, POLYETHYLENE, ALCOHOL, CHLORPHENESIN, PARFUM, CITRIC ACID.

REGEN [Hx]

POST-PROCEDURE PERFECTING SOOTHING GEL CREAM

REGN [Hx] supports and accelerates skin regeneration after non invasive aesthetic treatments such as non-ablative lasers, peels or microneedling. It contains Helix Aspersa extract, a snail secretion derived biocompound rich in skin regenerating glycoproteins, hydrating mucosaccharides, soothing allantoin and antioxidant vitamins. The formula also includes plant-derived essential fatty acids with anti-inflammatory and barrier replenishing properties.

Suitable for all skin types post-procedre or whenever irritated or sensitized.

CLINICAL STUDIES

78%*

Significant skin recovery as of 2 weeks

*Clinical evaluation of recovery speed on 23 subjects - Daily application - 1 month with measurements at 14 days - Belgium

SKIN BENEFITS

- Promotes post-procedure skin recovery
- Maintains optimal hydration to accelerate re-epithelialization
- Instantly soothes and minimizes inflammation
- Strengthens the skin's barrier function

HOW TO USE

Gently apply morning and evening to irritated or postprocedure compromised area. Can be applied just after noninvasive or mildly invasive procedures. Do not apply directly on open wounds, not suitable for immediate post-surgery healing.

INGREDIENTS: AQUA (WATER), SNAIL SECRETION FILTRATE, GLYCERIN, OCTYLDODECANOL, ISOPENTYLDIOL, SODIUM ACRYLATES COPOLYMER, RIBES NIGRUM (BLACK CURRANT) SEED OIL, PHENOXYETHANOL, LECITHIN, SODIUM HYALURONATE, CHLORPHENESIN, GLYCINE SOJA SEED EXTRACT, HELIANTHUS ANNUUS SEED OIL UNSAPONIFIABLES, CELLULOSE, HELIANTHUS ANNUUS (SUNFLOWER) SEED OIL, DISODIUM EDTA, O-CYMEN-5-OL, CARDIOSPERMUM HALICACABUM FLOWER/LEAF/VINE EXTRACT, TOCOPHEROL, ROSMARINUS OFFICINALIS (ROSEMARY) LEAF EXTRACT.

SKINLASE

POST HAIR REMOVAL LASER CREAM

FOR FACE AND SENSITIVE ZONES

SKINLASE is an expert solution developed to limit subsequent side-effects of depilatory laser treatments such as irritations, ingrown hairs and post-inflammatory or rebound hyperpigmentation. Its high-tolerance formula combines a skin smoothing ferment, brightening niacinamide, anti-inflammatory troxerutin, balacing zinc and powerful humectants to instantly soothe and support skin repair.

Suitable for application on the most delicate zones. Tested under gynecological control.

CLINICAL STUDIES

71%*
Reduced pigmentation

78%*
Smoother skin

100%*
Reduced redness

*% of approval under medical supervision on 21 subjects - Daily application - 1 month - France

SKIN BENEFITS

- Prevents ingrown hairs and keratosis pilaris
- Modulates inflammatory responses
- Brightens and regulate melanogenesis
- Accelerates skin healing

HOW TO USE

Apply a small amount to clean and dry skin in the morning or evening right after the depilatory procedure for at least 2 weeks. Gently massage until fully absorbed. For sun exposed areas, follow with a high SPF sunscreen during the day.

INGREDIENTS: AQUA (WATER), SIMMONDSIA CHINENSIS (JOJOBA) SEED OIL, PROPANEDIOL, PENTYLENE GLYCOL, OCTYLDODECANOL, NIACINAMIDE, GLYCERIN, ISOAMYL LAURATE, POLYACRYLATE CROSSPOLYMER-6, RIBES NIGRUM (BLACK CURRANT) SEED OIL, SALINOCOCCUS LYSATE FILTRATE, GLYCERETH-26, GLYCERYL CAPRYLATE/CAPRATE, POUTERIA LUCUMA PULP EXTRACT, LAURYL GLUCOSIDE, POLYGLYCERYL-6 LAURATE, POLYGLYCERYL-6 OLEATE, HELIANTHUS ANNUUS SEED OIL UNSAPONIFIABLES, POLYGLYCERYL-10 LAURATE, MYRISTYL GLUCOSIDE, CHLORPHENESIN, TOCOPHEROL, TROXERUTIN, CITRIC ACID, HELIANTHUS ANNUUS (SUNFLOWER) SEED OIL, SORBITAN PALMITATE, CARDIOSPERMUM HALICACABUM FLOWER/ LEAF/VINE EXTRACT, HYDROLYZED ALGIN, MAGNOLOL/HONOKIOL, ROSMARINUS OFFICINALIS (ROSEMARY) LEAF EXTRACT, ZINC SULFATE.
